shrutibsr97@gmail.com | +91-8077695237 | India | linkedin.com/in/shruti-sharma-969761192

PROFESSIONAL SUMMARY

Business Analyst with cross-functional experience in competitive intelligence, market research, and procurement strategy across Healthcare, Life Sciences, and IT. Delivered 3 should-cost models, 5 procurement category reports, and built a 100+ expert network for McKinsey, Bain, BCG, and Everest Group engagements. Synthesized disparate market and competitor data into actionable recommendations for clients including Roche, Thermo Fisher, and Abbott. MBA in Competitive Intelligence & Strategic Management combined with a B.Tech in Biotechnology.

PROFESSIONAL EXPERIENCE

Business Analyst | Claight Corporation (Expert Market Research)

Jan 2026 – Jul 2026 | Noida, IN

- Delivered 3 should-cost models for U.S. and Brazilian markets, dissecting supplier economics to give sourcing teams data-backed negotiation leverage.
- Forecasted commodity price trends using historical data, supply-demand analysis, and macroeconomic indicators to sharpen procurement budgeting and risk planning.
- Authored 5 Procurement Category Reports and market intelligence newsletters, translating geopolitical and trade developments into executive-ready insight.

Senior Associate – Expert Engagement | Infollion Research Services Limited

Sep 2025 – Nov 2025 | Gurugram, IN

- Built a network of 100+ validated senior IT and healthcare experts in 3 months, sourcing CXO-level talent for due diligence supporting McKinsey, Bain, BCG, and Everest Group.
- Mapped digital transformation and healthcare ecosystems to deliver insight-driven expert recommendations, collaborating cross-functionally with consulting teams.

Senior Research Associate | INJ Partners

Dec 2021 – Dec 2022 | Noida, IN

- Engaged KOLs, payers, and senior industry experts from Roche, Thermo Fisher, Abbott, SD Biosensor, and Qiagen, shaping client strategy across oncology, cardiovascular, and medical device markets.
- Managed 50+ respondents across Europe, Asia, and North America with 100% on-time delivery; synthesized research into strategic insight as part of Economist Intelligence Unit (EIU) reporting.

Marketing & HR Intern | The Leading Solutions (Finance Consulting)

May 2024 – Jul 2024 | Delhi, IN

- Studied AI's role in fintech across 100+ customer profiles, examining regulatory and pricing dynamics; findings improved investment prediction accuracy by 30%.
